Present Status

Fellowship Director,

American Academy of Facial Plastic and Reconstructive Surgery

Co-Director, Neuroscience Skull Base Center

Baylor University Medical Center

Dallas, Texas

Baylor All Saints Medical Center

Fort Worth, Texas

Clinical Professor,

Department of Otolaryngology-Head and Neck Surgery

University of Texas Southwestern Medical Center

Dallas, Texas

Director,

Division of Otolaryngology-Head and Neck Surgery,

Facial Plastic and Reconstructive Surgery

John Peter Smith Hospital

Fort Worth, Texas

Member,

Texas Health Care, P.L.L.C., a multi-specialty physician group practice

Member,

AO-ASIF North America Teaching Faculty

Maxillofacial Trauma and Reconstruction

Current practice involves full time multi-level Otolaryngology resident training at a tertiary care/trauma center.

Board Certifications

American College of Surgeons

Fellow of the American College of Surgeons as of October 2000

American Board of Facial Plastic and Reconstructive Surgery
Board Certified as of June 29, 1999

American Board of Otolaryngology
Board Certified as of April 28, 1997
Certification number 15229

Royal College of Physicians and Surgeons of Canada
Board Certified in Otolaryngology-Head and Neck Surgery as of
September 1996
Certification number 474524

Licenses

California State License
Obtained November 17, 2004
License number G 87363

Florida State License
Obtained August 19, 2003
License number ME 88483

Texas State License
Obtained September 20, 1997
License number K3716

Licentiate of the Medical Council of Canada (LMCC)
Passed all components June 1992

National Board of Medical Examiners (NBME)
Passed parts I, II and III by July 1992
Equivalent to FLEX, USMLE

Professional Membership

American Academy of Facial Plastic and Reconstructive Surgery
Texas Society of Facial Plastic Surgery
American Cleft Palate-Craniofacial Association
AO North America
North American Skull Base Society
American Academy of Otolaryngology-Head and Neck Surgery
Canadian Society of Otolaryngology-Head and Neck Surgery
Fort Worth Surgical Society
American College of Physician Executives

American Society of Laser Medicine and Surgery

Education and Training

Masters of Science in Medical Management

University of Texas Southwestern Medical Center and University of Texas at
Dallas School of Management
Awarded August 2003

Certificate in Medical Management

University of Texas Southwestern Medical Center and University of Texas at
Dallas School of Management
Awarded December 12, 2002

Fellowship, Facial Plastic and Reconstructive Surgery

Accredited by the American Board of Facial Plastic and Reconstructive
Surgery (ABFPRS)
University of Minnesota, Minneapolis-St. Paul (Minnesota), USA
June 1996-July 1997
Training included extensive experience in maxillofacial trauma,
microvascular surgery, osseodistraction, craniofacial and skull base
surgery, cleft lip and palate surgery, general cosmetic and
reconstructive surgery of the head and neck region.

Residency, Otolaryngology-Head and Surgery

Accredited by the American Board of Medical Specialties
University of Ottawa, Ottawa (Ontario), Canada
July 1992- June 1996

Internship, Mount Sinai Hospital

Rotating internship
University of Toronto, Toronto (Ontario), Canada
June 1991-June 1992

Doctorate in Medicine

University of Ottawa, Ottawa (Ontario), Canada
September 1987-April 1991

Undergraduate, Faculty of Science, Major in Biology

University of Ottawa, Ottawa (Ontario), Canada
September 1984- April 1987

Invited Reviewer for Scientific Journals

Journal of Ophthalmic Plastic Surgery
Otolaryngology-Head and Neck Surgery
The Laryngoscope
Journal of Otolaryngology
Archives of Facial Plastic Surgery
Southern Medical Journal
Head and Neck

Resident Teaching Award 2002/2003

Awarded at University of Texas Southwestern Medical Center
Department of Otolaryngology-Head and Neck Surgery, 2003

Residency

1995 PSI Foundation Resident Research Award
Awarded annually for the most outstanding research by a resident within the
province of Ontario's Residency Programs

Medical School

Graduated Magna cum Laude
Attained highest grade in Surgery

Undergraduate, Faculty of Science

Dean's Honor Roll
Attained highest grade point average in Faculty of Science at the
University of Ottawa

Past Appointments

Vice Chairman Department of Surgery

John Peter Smith Hospital – the level one trauma center for Tarrant County, serving
Arlington, Fort Worth, and the mid-cities
Fort Worth, Texas
2000-2012

Associate Professor, Department of Otolaryngology-Head and Neck Surgery

University of Texas Southwestern Medical Center
Dallas, Texas
2002-2007

Assistant Professor, Department of Otolaryngology-Head and Neck Surgery

University of Texas Southwestern Medical Center
Dallas, Texas
1999-2002

Director, Fellowship in Facial Plastic and Reconstructive Surgery

Fort Worth, Texas
1997-1998

Clinical Instructor, Division of Facial Plastic and Reconstructive Surgery

University of Minnesota
June 1996-July 1997

Management Courses Completed

Managing Information Technology in Healthcare

August 10-14, 2003, Dallas, Texas

Negotiation and Conflict Management in Healthcare

April 6-10, 2003, Dallas, Texas

Budgeting and Medical Cost Management

February 16-20, 2003, Dallas, Texas

Leading Change and Innovation in Healthcare

December 8-12, 2002, Dallas, Texas

Financial Management of Healthcare Organizations

October 6-10, 2002, Dallas, Texas

Strategic Management of Healthcare Organizations

August 11-15, 2002, Dallas, Texas

Health Care Policy and Regulation

June 9-14, 2002, Washington, D.C.

Service Quality and Patient Satisfaction

April 7-11, 2002, Dallas, Texas

Committees

American Academy of Facial Plastic and Reconstructive Surgery

Microvascular and Reconstructive Surgery Subcommittee

Committee Chair

2011 to present

AOASIF Craniomaxillofacial Trauma Classification Group

North American Medical Director

2006

Written Exam Development Group

American Academy of Facial Plastic and Reconstructive Surgery

October 2003 to present

Fellowship Compendium Committee

American Academy of Facial Plastic and Reconstructive Surgery

March 2002 to present

Baylor All Saints Hospital System

Oncology Task Force Member

February 2002 to 2008

University of Texas Southwestern Moncrief Cancer Center

Medical Board Member

September 2001 to 2005

Fellowship Curriculum Committee

American Academy of Facial Plastic and Reconstructive Surgery

October 2000 to present

Fellowship Research Review Committee

American Academy of Facial Plastic and Reconstructive Surgery

October 2000 to present

Laser Committee Chairman

John Peter Smith Hospital and Health Network

January 2000 to 2006

Internet Committee

American Academy of Facial Plastic and Reconstructive Surgery
February 1997 to 1999

Medical Quality Improvement Committee

John Peter Smith Hospital and Health Network
March 1998 to 2000

June 1999 to 2002

Courses and Seminars Presented

Update on Head and Neck Cancer and Reconstruction

Baylor Oncology Symposium
Fort Worth, Texas
November 2011

Head and Cancer for Dentists

North Texas Dental Association Meeting
Fort Worth, Texas
November 2011

Edentulous and Comminuted Mandibular Fractures Including Locking Plate Reconstruction

Invited Speaker
AO Principles of Operative Treatment of Craniomaxillofacial Trauma and Reconstruction
Chicago, Illinois
April 2011

Co-Chairman, Principles of Operative Treatment of Craniomaxillofacial Trauma and Reconstruction

Dallas, Texas
April 2011

**Management of Atrophic and Comminuted Mandible Fractures
Treatment of Gunshot Wounds to the Mandible**

Invited Speaker
AO Principles of Operative Treatment of Craniomaxillofacial Trauma and
Reconstruction
Dallas, Texas
April 2011

**Chairman, Mastery of Advanced Head and Neck Reconstruction and Skull Base
Surgery**

Houston, Texas
February 2011

Perfecting Midfacial and Periorbital Reconstruction

Speaker
Mastery of Advanced Head and Neck Reconstruction and Skull Base Surgery
Houston, Texas
February 2011

Optimizing Results in Facial Reconstruction

Invited Speaker
American Academy of Facial Plastic and Reconstructive Surgery Fall Meeting
Boston, Massachusetts
September 2010

Pediatric Microvascular Reconstruction

Invited Speaker
American Academy of Facial Plastic and Reconstructive Surgery Fall Meeting
Boston, Massachusetts
September 2010

Options and Advances in Head and Neck Reconstruction

Invited Speaker
Association of Surgical Technologists 41st Annual National Conference
Dallas/Fort Worth
May 2010

Management of Large Calvarial Defects

Invited Speaker
AO Advances in Craniomaxillofacial Trauma and Reconstruction
Los Angeles, California
November 2009

Management of Mandible Fracture Complications

Visiting Professor
University of California at Irvine
November 2009

Management of Severe Facial Trauma and Gunshot Wounds to the Face

Visiting Professor
University of California at Irvine
November 2009

Updates in Head and Neck Cancer

Invited Speaker
Arlington, Texas
November 2009

Treatment of Facial Fracture Complications

Visiting Professor
Department of Otolaryngology-Head and Neck Surgery
Albany Medical Center, Albany, New York
September 2009
Management of Panfacial Fractures
Visiting Professor
Department of Otolaryngology-Head and Neck Surgery
Albany Medical Center, Albany, New York
September 2009

Reconstruction Strategies in Mohs Surgery

Visiting Professor
Department of Otolaryngology-Head and Neck Surgery
Albany Medical Center, Albany, New York
September 2009

Co-Chairman, Innovations in Skull Base Surgery

Dallas, Texas
January 2009

Considerations in Reconstruction in Surgery of the Skullbase

Speaker
Innovations in Skull Base Surgery
Dallas, Texas
January 2009

Minimizing the Facial Footprint in Skullbase Surgery

Baylor University Medical Center Grand Rounds
Dallas, Texas
June 2008

Systematic Approach to Maxillofacial Trauma

John Peter Smith Hospital Trauma Rounds
Fort Worth, Texas
June 2008

Optimizing Head and Neck Reconstruction

Poliquin Visiting Professor
University of Ottawa
Department of Otolaryngology-Head and Neck Surgery
May 2008

How to Get Papers Published

Poliquin Visiting Professor
University of Ottawa
Department of Otolaryngology-Head and Neck Surgery
May 2008

Surgery in USA

Poliquin Visiting Professor
University of Ottawa
Department of Otolaryngology-Head and Neck Surgery
May 2008

Surgical Considerations in Management of Advanced Cutaneous Carcinomas

Invited Speaker
Winter Symposium on the Latest Advances in Facial Plastic Surgery
Vail Colorado
January 2008

Optimizing Results in Periorbital Reconstruction

Invited Speaker
Winter Symposium on the Latest Advances in Facial Plastic Surgery
Vail Colorado
January 2008

Principles of Operative Treatment of Craniomaxillofacial Trauma and Reconstruction

Co-Chairman
San Antonio, Texas
January 2008

Edentulous, Comminuted and Defect Mandible Fractures

Invited Speaker
AO Principles of Operative Treatment of Craniomaxillofacial Trauma and
Reconstruction
San Antonio, Texas
January 2008

Complications of Mandibular Fracture Fixation

Invited Speaker
AO Principles of Operative Treatment of Craniomaxillofacial Trauma and
Reconstruction
Dallas, Texas
October 2007

**Management of Locally Advanced Skin Carcinoma: Surgical and Reconstructive
Options**

Invited Speaker
Multidisciplinary Care of the Head and Neck Cancer Patient
Baylor Healthcare System
Fort Worth, Texas
September 2007

Optimizing Aesthetic and Functional Outcomes in Craniofacial Surgery

Invited Speaker
University of Florida
June 2007

Reconstruction of Complex Facial Defects

Invited Speaker
University of Florida
June 2007

Optimizing Aesthetic and Functional Outcomes in Craniofacial Surgery

Invited Speaker
Winter Symposium on the Latest Advances in Facial Plastic Surgery
January 2007

Fat Grafting and Other Fillers/Grafts in Facial Reconstruction

Invited Speaker
Winter Symposium on the Latest Advances in Facial Plastic Surgery
January 2007

Overview of Head and Neck Cancer Reconstruction and Skull Base Surgery

Invited Speaker
Primary Care Toolbox
Fort Worth, Texas
September 2006

Panfacial and Lefort Fractures

Invited Speaker
Updates in Facial Trauma and Maxillofacial Surgery
Columbia University
New York, New York
May 2006

Advances in Head and Neck Reconstruction and Skull Base Surgery

Multidisciplinary Care of the Head and Neck Cancer Patient: Update 2006
Fort Worth, Texas
April 2006

Mandibular Reconstruction

Invited Speaker
Team Approach to Craniomaxillofacial Trauma and Reconstruction
San Antonio, Texas
May 2005

Mandibular Reconstruction

Invited Speaker
Craniomaxillofacial Course
Los Angeles, California
July 2004

Management of Panfacial Fractures

Visiting Professor
University of Colorado School of Medicine
Denver, Colorado
January 2004

Reconstruction in Skull Base Surgery

Visiting Professor
University of Colorado School of Medicine
Denver, Colorado
January 2004

Plating Principles in Mandible Fractures

Visiting Professor
University of Colorado School of Medicine
Denver, Colorado
January 2004

Team Approach to Craniomaxillofacial Trauma and Reconstruction

Course Chairman
Dallas, Texas
January 2004

The Versatility of the Extended Pericranial Flap for Skull-Based Defects

Annual Meeting of the American Academy of Otolaryngology-Head and Neck
Surgery
Orlando, Florida
September 2003

Overview of Reconstruction in Head, Neck and Skull Base Surgery

AORN regional meeting
Fort Worth, Texas
May 2003

Principles of Operative Treatment of Craniomaxillofacial Surgery

Co-Chairman
Dallas, Texas
January 2003

Management of Edentulous, Comminuted and Defect Mandible Fractures

Invited Speaker
Team Approach to Craniomaxillofacial Trauma
Dallas, Texas
January 2003

Principles of Reconstruction and Fixation in Skull Base Surgery

Invited Speaker
Team Approach to Craniomaxillofacial Trauma
Dallas, Texas
January 2003

Mandibular Anatomy, Biomechanics and Mandibular Surgical Approaches

Invited Speaker
Team Approach to Craniomaxillofacial Trauma
Houston, Texas
October 2002

Orbital and Zygomaticomaxillary Complex Fractures

Invited Speaker
Principles of Operative Treatment of Craniomaxillofacial Surgery
New Orleans, Louisiana
June 2002

Mandibular Angle Fractures

Invited Speaker
Principles of Operative Treatment of Craniomaxillofacial Surgery
New Orleans, Louisiana
June 2002

Transfacial Approaches to the Skullbase

Guest Speaker
Future Directions in Head and Neck Cancer
Dallas, Texas
February 2002

Skull Base Surgery

Visiting Professor
University of South Florida
Tampa, Florida
April 2001

Mandibular Plating

Visiting Professor
University of South Florida
Tampa, Florida
April 2001

Head and Neck Reconstruction

Instructor
Primary Care Toolbox Series
Fort Worth, Texas
November 2000

Transfacial Approaches to the Skull Base

Instructor
Fort Worth Surgical Society
Fort Worth, Texas
October 2000

Reconstruction in Skull Base Surgery

Visiting Professor
Wayne State University
Detroit, Michigan
August 2000

AO-ASIF Maxillofacial Faculty

Faculty Lecturer
July 2000 to present

Reconstructive Surgery of the Head and Neck

Instructor
Azla Conference
Fort Worth, Texas
February 2000

Surgical Approaches to the Maxillofacial Skeleton and Transfacial Approaches to the Skull Base

Course Instructor
Annual meeting of the American Academy of Otolaryngology-Head and Neck Surgery
New Orleans, Louisiana
September 1999

Head and Neck Surgery Workshop for Speech Therapists

Instructor
Fort Worth, Texas
June 1998, November 2000

Facial Plastic and Reconstructive Surgery Workshop for Primary Care Physicians

Instructor
St. Paul, Minnesota
April 1997

Advanced Techniques in Cutaneous and Cosmetic Lasers

Instructor
University of Minnesota
Minneapolis, Minnesota
November 1996

Maxillofacial Trauma

Strategies in Primary Care Medicine
Instructor
Regions Hospital
St. Paul, Minnesota
November 1996

Laser Assisted Uvulopalatoplasty Instruction Course

Instructor
Ottawa Civic Hospital
Ottawa (Ontario), Canada
April 1994

Certification

Thyroid and Parathyroid Ultrasound

American College of Surgeons
