2.

### WHAT SETS MY PRACTICE APART

4.

5.

### MY DREAM INNOVATION

6.

### HOW I WOULD SPEND EXTRA TIME IN A DAY

Spend more time with my wonderful, sweet children. They've changed my life and continue to challenge me to be a better person for them to look up to and be proud of

7.

### HOW MY PROFESSION HAS EVOLVED

Patients are vastly more educated about what they want or need to look better; as surgeons we have to help guide that good knowledge into appropriate venues to give patients the best results
